Curry Supply Co. CA8000V Water Tank

After Sales Service & Spare Parts

Coleman's Equipment has had a long relationship with Curry Supply Co and has assisted in the development of the water tanks for the Australian, New Zealand & South Pacific Markets. With over 100 water tanks currently in operation across all regions.

This experience combined with a deep understanding of the Heavy Equipment Market makes us one of the leading Articulated & Rigid Off-Road Water Tank Suppliers.

The Coleman's Equipment Parts Team can assist with a full range of In Stock Curry Supply Co Parts, whether it be consumable items such as Spray Head Diaphragms, O-Rings and Gaskets through to Damage Items, such as Canon's, Water Pumps & Hose Reels.

Optional Extra's

Coleman's Equipment has a large workshop facility in both Orange & Wollongong, NSW, which enables a wide range of specifications to be completed on all of our equipment, including:

- Full MDG15 Mine Specification to Trucks, Tanks and Other Available Equipment
- Water Level Monitor's, Displays, & Auto Shut Off
- Worklights & Other Electrical Works
- Fast Fill for Fuel
- Evac Systems for Transmission, Engine & Hydraulic Compartments, and
- Much, Much More.
